Basics of Islam

For Muslims, Islam is a way of life. They practice it anywhere, and at anytime. Islam guides every aspect of a Muslim's life and is considered their reference for everyday practices. In this discussion, we will present how Muslims practice Islam on- and off-campus and how Islam guides their daily lives.

March 20
Prayers in Islam

Why do Muslims pray? And what's the significance of a Masjid (mosque) for Muslims? In this discussion, we will talk about Islamic prayers and Masjid.

April 17
Ramadan: 30-day Challenge

There will be a time when your Muslim friends stop eating during the day for a full month. When Muslims observe the month of Ramadan and start fasting, Non-Muslims can benefit and join too! In this discussion, we will talk about Ramadhan, why Muslims fast, and what you can do to share the experience and blessings.
